"House At DeLand Corners" Preserved

The "house at DeLand Corners" (M151 and Summerfield Road) was, according to Mrs. Parmalee's history (see Courier Scrapbook, p. 26) once called "Halfway House". It was a stopping place for farmers on the way to the Toledo markets. At that time there was a wing on the house which was later moved and converted into a barn. Tradition has it that the home was also a station on the underground railway where escaping slaves were hidden. At the time Mrs. Parmalee wrote the Lambertville history (1930) the house had fallen into disrepair. Fortunately it is a landmark that has been restored and still stands for us to see today. It is owned by Mr. and Mrs. Howard Miller, Jr.

Should someone take the initiative and ask, "I just say, 'Oh, it's hard,' or, 'It hurts.' I close it off. No one really wants to hear the details."

Grief may be something you have to carry around with you all the time, but if you're polite you keep it tucked away in your purse.

For months after my mother died, I felt as if I was on a crowded train platform with many kind people. But then all the nice people got on the train, leaving me behind on the platform —immobile, stranded, alone — able to do nothing but wave good-bye as the train slowly pulled away.

When Jody found her mother's body, she said, "I never felt so alone in my life. No one will ever know what I felt like."

Strange, maybe, but I can't remember ever feeling more alive than I did right after my mother died.

I think maybe the pain of loss is so intense, so searing, that its very sharpness says, "You are [illegible]. You are acutely alive."

DeLand-Flory

At 10 a.m. today in St. John Catholic Church the Rev. Edmund Battersby united in marriage Miss Mary A. Flory, daughter of Mr. and Mrs. Louis A. Flory of 2724 Stein Rd., LaSalle, and Stuart R. DeLand, son of Mr. and Mrs. Floyd E. DeLand of Adrian. The double ring ceremony was performed before an altar decorated with white gladioli.

Mrs. Leander LaBoe, organist, accompanied Miss Mary Roberty, who sang "On This Day, O Beautiful Mother" and "Ave Maria."

Given in marriage by her father, the bride wore a gown of nylon tulle and lace over satin fashioned with a round neckline and long fitted sleeves edged in lace. A three-tiered shirt was attached to the dropped waistline of the shirred bodice. The three-strand pearl necklace she wore was a gift from the bridegroom. A chapel-length veil edged in French lace was caught to a beaded tiara crown. A white carnation corsage was pinned to the bride's prayerbook.

Mrs. Eugene DeLand, sister of the bride and matron on honor, wore a floor-length gown of pink nylon net over taffeta with matching lace bolero over a strapless gathered bodice. She carried a bouquet of deep pink carnations and wore pink pearl button earrings, a gift from the bride.

Bridesmaid, Miss Ruth Flory, sister of the bride, wore an aqua gown styled like that of the matron of honor and carried a bouquet of pink carnations. She wore aqua button earrings, a gift from the bride.

Flower girls, Louise Flory, sister of the bride, and Diane DeLand, niece of the bridegroom, wore aqua floor-length gowns with pink sashes. Raymond Flory, brother of the bride, carried the rings.

Eugene DeLand, brother of the bridegroon, served as best man. Ushering were Dale Ries of Sandy Creek, John Flory, brother of the bride, and Orrin DeLand, brother of the bridegroom.

Mother of the bride wore a beige and pink street-length dress with beige jacket and white accessories. Mrs. DeLand chose a blue silk shantung street-length dress with white accessories. Both mothers wore pink carnation corsages.

The wedding breakfast for the wedding party and immediate families was in the home of the bride's parents. Approximately 150 guests are expected at an afternoon reception in the home of the bride's parents, where a three-tiered wedding cake decorated with wedding bells and a miniature bride and bridegooom will grace the bridal table.

For a trip to Miami, Fla., the bride will wear a lime-green dress with white accessories and her bridal corsage. On their return, the newlyweds will make their home at 505 Sterns Rd., Erie.

The bride, a 1951 graduate of St. Mary Academy, is employed by the Kroger Co. Her husband, a 1946 graduate of Adrian High School at Adrian, is employed by the Kroger Co. at Toledo.

"The members of this church shall worship and labor together according to the discipline, rules and usages of the Wesleyan Church of America."

So wrote the members of the little church at Deland's Corners in 1896 when their Articles of Association were compiled and signed. The Wesleyan Church Sunday School there first met on April 18, 1875 in the log school at the Corners (M-151 and Summerfield Road), which stood where Deland School is now.

This congregation was one of three organized as the "Wesleyan Society of Whiteford and Bedford Circuit of Monroe County, Michigan." The other two congregations built the brick church at Liberty Corners (Sterns Road and Jackman Road) and the North Whiteford Church at M-151 and Sylvania-Petersburg Road, which was recently bought by the State so that the intersection could be widened. The North Whiteford Church is now located across the corner. The three churches shared a minister and met together quarterly.

Why the church came to Deland Corners no one remembers. The Wesleyan Church had separated itself from the Methodist Episcopal Church in 1843. There were several reasons for the split, but evidently the most compelling one was the slavery issue.

The larger denominations were reluctant to speak out against slavery in the 1840's because they had Southern as well as Northern congregations. The people who formed the Wesleyan Methodist Church not only spoke, but acted. They were instrumental in setting up stations where slaves were hidden on their way to Canada and freedom.

Just recently when an old Wesleyan Methodist Church was remodeled in Romulus, Michigan an underground room was discovered, which no living member knew existed. It had been, it is believed, the last stop before the actual crossing into Canada.

Perhaps some of the slaves who were hidden there had also taken refuge in the large white house at Deland's Corners, which was also a stopping place on the escape route. The home was owned by the Deland (or DeLand) family who were founding members of the congregation on Summerfield Road. Whether this is all coincidence or if the DeLand family was instrumental in bringing the Wesleyan Church into the neighborhood we will probably never know.

In 1875 the Deland Corners group elected officers and teachers, and enrolled 17 scholars, making a total of 28 in the congregation. Their "penny collection" that first day was 22 cents. Tom Alcock was the first chairman and Ida Mears, who was 18 years old, their first secretary.

Evidently there was no minister at first, but the layman who was elected chairman was often called "Reverend". According to Raymond Bennett who is now pastor at the church, often local preacher's licenses were given to laymen when no minister was available.

In 1890 the group leased land from William Hayward and in the next year their church was built. At about the same time the name of Rev. J. R. McLean appears. Evidently he was minister in all three churches.

Myrtie Cox Dunbar's parents, George and Clara Cox, lived across the road from the church site. Mrs. Dunbar remembers when the church was built, although she was only four years old.

The neighbors all pitched in, bringing their lunch and often eating dinner at the Cox home. Myrtie and her brother Clyde didn't appear for the meal one day and were discovered peering out of the newly erected belfry, frightening everyone below.

By June 18, 1890, the congregation had grown to 50 people. The collection totaled 66 cents and the Reverand McLean spoke from the scripture "Take heed and beware of covetousness for a man's life consisteth not in the abundance of the things which he possesseth." How the money for the church building was raised is not known but it must have been an enormous undertaking.

For the past seventy-nine years the picturesque Deland Wesleyan Methodist Church has been charming travelers on the Summerfield Road. Built in 1891 at Deland's Corners, it is still the home of an active congregation led by the Reverand Raymond Bennett. This photograph was taken around 1900.

Several families have been members of the congregation for years. Ruth Cox Nichols and her brother Floyd Cox are the grandchildren of Jacob and Adeline Fishburn and George W. and Clara E. Cox, mentioned before, who were among the earliest members of the church. George R. Cox and Elsie Fishburn Cox, their parents of Mrs. Nichols and Mr. Cox, were also members as are their children and grandchildren making five generations of active church people.

Adeline Cox was secretary of the church for many years. Her minutes from 1909 - 1917 are the earliest records of the yearly meeting still in existence. In them she tells who was elected to the various church positions including chairman, secretary, treasurer, clerk, steward and class leader.

In 1910, the financial report read, "Collection for the year $13.23. Received 47¢ for collection for the steps. Total for year $13.70 Paid out for oil $.90. Janitors dues $12.00. Total expenses for year $12.90. Balance on hand, September 21, 1910 - 80¢."

You will notice that there was no minister's salary listed but evidently William Bullock was considered the pastor. Other names which appear time and time again in the records of that period are Harry Shephard, Iva Cummins, Otto Nichols, G. D. Kellogg, Addie West and Mr. and Mrs. Thompson.

The church has had hard times. In the 1930's when Eddie Zuver was pastor the newly installed electric lights were not used. The night services were lit by coal oil lamps because the oil was cheaper than electricity. The pastor was paid $5.00 a week. Things were better in the 1960's when a new parsonage and church wing were added.

It is difficult for us to understand what the church meant to people years ago, especially people living in a rather isolated rural community. It was, of course, first of all a place people went for spiritual inspiration.

In our day of hunting for methods to fill leisure time we seldom stop to think that our grandparents had little time for recreation and that hobbies were then a luxury. Farmers were burdened with chores and housewives had never-ending tasks.

The church was a meeting place - a place to exchange news, admire babies, do a bit of courting or to just sit, still and quiet and think. It was, for many people, the highlight of the week both spiritually and socially.

The existing records give financial information and the names of the church officers and teachers, even the theme of the Sunday School lessons. It does not tell the story of the people - who was married, baptized, mourned, comforted or inspired there. We can only read into the record what the congregation must have felt.

The only way that we can guess at their emotions is to follow what they chose as the theme for their worship. Early in 1893 the lesson at Deland Wesleyan Methodist Church was "Dedicating the Temple" and the verse for the day was "I was glad when they said unto me let us go into the house of the Lord."

Home of The Pine River Bucks

The cool, sparkling waters of the Pine River have been a most important part of this area since the very first settlers discovered the beauty of the stream winding through the pine forest.

From bubbling springs in the fern covered dales and spring fed Center, Rose, Diamond, Hewitt and Olga Lakes the brooks dally along until they find their way to larger branches where the pine logs were floated to saw mills down stream.

It is still possible to find many quiet, natural beauty spots on the pine river watershed where brook, rainbow and brown trout thrive and access spots are made available to everyone who feel they can outsmart enough fish for the tastiest meal possible.

This area is well known to Sportsmen who like to hunt deer, rabbits, ruffed grouse and other small game.

Tustin

In the Northwest corner of Osceola County on the headwaters of the beautiful Pine River is the village of Tustin. Origionally called New Bleking by the Swedish immigrants, the name was changed to honor Dr. Tustin, a medical Missionary who was sent to Sweden by the Grand Rapids and Indiana Railroad to recruit laborers.

Rich in traditions of the past when Tustin was one of the greatest shipping centers for potatoes in the State of Michigan, several of the potato warehouses are still standing although the industry has ceased in this area.

Headquarters for the Burdell-Sherman-Dover Townships Fire District, Tustin has an excellent Fire Department and Rescue Squad. Good grocery stores with fresh meats and produce, a modern bank, a fine hardware with a sporting goods department, a grain elevator with a good line of building materials, a carpet store with a complete line of floor coverings, a modern Post Office, a beauty shop, a village Library, accomodating service stations and a restaurant serving tasty home cooked meals make this a good area in which to spend your vacation. Evan Hoaglund's museum on the second floor of the Hoaglund Hardware has a wonderful collection of artifacts along with many historical pictures and records of the early days of the Tustin Area.

The Covenant-Presbyterian, the Augustana Lutheran and the First Baptist Churches serve the people of the area.

The Tustin Sportsman's Club has provided the community with one of the finest halls in this part of Michigan.

On nearby Center Lake is located the wonderful 4-H Foundation Training facilities of Kettenun Center and the Lower Michigan Baptist Conference Camp. Visit Tustin, one of the friendliest villages in Michigan and in this cordial and informal atmosphere see how enjoyable living can be.

Hi Rachel,

Thank you for forwarding your Aunt Susan's message. First to answer her question, at the top of the Kozhenetz page it shows the first Freda that we know of, born around 1797. Unfortunately, we don't know her maiden name.

"Hirsh Kozhenetz is the earliest known family member, born in Lithuania before 1772. His son **Itsyk Kozhenetz** was born in Vilkomir (Ukmerge) in 1792. Itzik married **Freda**, who was born ~1797 in Vilkomir and died on 30 October 1879 in Bauska, Courland, Latvia, just north of the Lithuanian border. The four known children of **Itsyk and Freda Kozhenetz . . .**"

Hi Rachel,

Thank you for forwarding your Aunt Susan's message. First to answer her question, at the top of the Kozhenetz page it shows the first Freda that we know of, born around 1797. Unfortunately, we don't know her maiden name.

"Hirsh Kozhenetz is the earliest known family member, born in Lithuania before 1772. His son **Itsyk Kozhenetz** was born in Vilkomir (Ukmerge) in 1792. Itzik married **Freda**, who was born ~1797 in Vilkomir and died on 30 October 1879 in Bauska, Courland, Latvia, just north of the Lithuanian border. The four known children of **Itsyk and Freda Kozhenetz . . ."**

https://kehilalinks.jewishgen.org/troskunai/families/kozhenetz.htm

Just to clarify: Wulf was not Frida Kozhenetz' first cousin. He was her second cousin, because they shared a great-grandfather; their grandfathers were brothers. Yosel (who married Golda) and Ayzik (Frida's father) were first cousins, because they shared a grandfather. I made a quickie family tree diagram to make the relationships more clear. Your Aunt Susan will see several Friedas on the tree (sometimes spelled differently - remember, for those born in Lithuania, these names were Yiddish names spelled with Hebrew letters, so they've been transcribed).

Wow, your aunt has a photo of Golda and Joseph in Trashkun! Of course we would love to see that if she or your father comes across it and can scan it.

Thank you for keeping in touch!
Johanna

Hi Rachel,
Hope you are having a fine Chanukah. I don't have access to the photos since I have put them in storage. They are no longer on my wall. I do know that there is one of some of Zadie's cousins. Grama never could remember their names. I also have one of Golda and Joseph in Traskun. Your Dad may have taken a photo of that. I'll let you know of course when I see the photos again. They are really packed away. Love, Aunt Doodiek
PS I am curious who my mother Freda was named after since Zadie also had a first cousin with the same first name, Freda Kozhnitz.. Can you ask about that?

Dear and beloved Kozhenetz family descendants cousins and relatives ,Shalom,

I think the event that caused to be happy last month and especially the last Hanukkah week to our great Kozhentz family, because we had the Hanukkah miracle - " נס חנוכה" "Nes Hanukkah" .

I must to mark that thanks the marvelous Trashkun website created by Sonia and Johanna Kovitz (Itsikovitz) and the created by Jonathan Levine - "Kozhenetz family descendants " PDF file and due to the wide information explicated in the Trashkun website our Kozhenetz family "grew" begin to rejoin . Please refer to the Trashkun website for the Kozhenetz family , or to the attached Kozhenets family descendants PDF file.
https://kehilalinks.jewishgen.org/troskunai/families/kozhenetz.htm

Since last month and especially last Hanukkah week occurred the above mentioned " Hanukkah miracle " .

Please find my description of this " Hanukkah miracle "?
1. My mother's Frieda Kozenetz cousin -Alan Remo (US) last month "found" me in the a/m Trashkun website and using Sonia's and Johanna' s information, Alan sent to me a message, that he happy to know about existence of Kozhenets descendants, which survived Holocaust . from Lithuania/Russia relatives . Alan's great grandfather (Joseph - Yosl - Hirsh) is a brother of my grandfather - (Aizik) Isacc's Kozhenetz .
Please refer to the Trashkun website Kozhenetz family , or to the attached Kozhenets family descendants PDF file.
https://kehilalinks.jewishgen.org/troskunai/families/kozhenetz.htm

2. And the second Hanukkah miracle , that last week I received good touching news also from Rachel Miller (IL) -and her father Shmuel Solomon (IL, family came to Israel from US in 1990).Smuel's great - grand father Hirsh (Tsvi) Kozhenetz brother of my great - grand father (Faivush Kozhenetz)).
Rachel Miller after many years of searching for Kozhenets family relatives and after she visited Trashkun website, Rachel contact on internet with my son Yakov, (Rachel and Yacov are Itsik's Kozhenetz 8 grade cousins). The same day Rachel contact me also.
note :
Leah and Shmuel Solomon with family made alia in 1990 and they live in Israel .

Those above mentioned events - rejoining Kozhenets family caused after more than 100 years because absence of internet and absence of concentrated information about existing of Kozhentz family descendants in the world.

First I hope to meet Rachel and her parents (Shmuel and Leah) and to be in touch with other cousins also.

This above mentioned pleasant information I forward in Israel to my brother Aizik (Isacc) and my sister Basia and to my sons Yakov and Eilon, to our cousins Saar and her mother Marcel , to our "new" cousins Rachel Miller and her father Shmuel Solomon ,and to my first grade cousins in US- Beverly, Eilen and Stive and to our "new" cousin in US Alan Remo and to my sons Yakov and Eilon.

I think those news will cause to Sonia, Johanna and to Jonathan additional great work to add names and stories , photos and other data pertaining our families in this marvelous Trashkun website .

Those are my very important and pleasant last news about the Trashkun website and our Kozhenetz family .

Thanks again to sisters Sonia and Johanna Kovitz , and to Jonathan levine for the vast and holy work you made and I am sure and wishing to you to continue this project until all our family will be in touch again and even more .
Sending best wishes and lots of love ,
Misha

Dear Nancy: Hi. We appreciate you having Helen send the information. We will be meeting one of the cousins this coming Sunday – is it possible for her to send the information before then? Thanks so much!

Tell us more about you and your life. We have had such delight in discovering new relatives – it's been amazing – and we would love to hear about you.

As we mentioned, we live in Israel and have three children: Coby is 45, married with three children, has gone back to school and is studying to be a medical technician and lives in the Golan Heights. Rachel is 30, married with five children and is a teacher (of violin, English and History – specializing in the Holocaust). Her husband studies in a yeshiva and is also a musician. They live in Rechasim, close to where we live. Avi is almost 28, is single and lives in Jerusalem. He is studying to be a tour guide. Shmuel (Sam) is retired and builds with wood and studies Torah. I (Leah) am an English teacher at a religious girls' high school in Haifa (not far from where we live). We have lived here for 20 years and we love it – such a beautiful and wonderful country.

Do you ever come to Israel? We would love to meet you. We are thinking about having a family reunion here at some point in the future – of course we will invite you and your family.

Send us some photos and tell us more about you.

Warm regards, Leah and Shmuel Solomon and family

Cousin Dick told us that you have a very good genealogical chart of your family. We are especially interested in your grandparents. Our great grand uncle, Nathan (Kaznets/Klein), grand Aunt Millie and their relationship to our zadie, William Cousins.

We think that Nathan brought William to Toledo in 1906. Any dates from your charts would be helpful. If you can e-mail it to bhamdeit@actcom.co.il, we would be much appreciative.

Wishing you the best for a happy Pesach,

6. SARAH D.[3] BERSHON *(POLLY-NELLIE[2] LEWIS, WILLIAM ELEV[1])* was born 15 December 1871 in Lithuania, and died 20 February 1952 in Toledo, Lucas Co. OH. She married MOSES JUDAH JAFFE ca 1898. He was born 1872 in Russia, and died 19 May 1939 in Toledo, Lucas Co. OH.

Notes for SARAH D. BERSHON:

Moses immigrated about 1893 and came to Toledo a few years later. His family likely settled first in Cleveland as he had nine siblings living there when he died in 1939. He was a junk dealer for many years. He had purchased his home at 2240 Kent St., owned it free and clear by 1910 and lived there until his passing. Later Sarah and her daughter Nell moved to a duplex on Boston Place.

On an outing that should have been a happy occasion, Sarah was struck by an automobile while crossing Monroe St. to attend a concert at the Toledo Museum of Art. Because of the massive injuries she only survived about five hours after the tragedy.

Children of SARAH BERSHON and MOSES JAFFE are:

i. NELL L.[4] JAFFE, b. ca 1899; d. 13 January 1987, Toledo, Lucas Co. OH; m. KALMON BAER, Aft. 1952; b. 19 September 1904; d. 11 September 1984, Toledo, Lucas Co. OH.

Notes for NELL L. JAFFE:

Nell was in her early 50's before she married as she was still single at her mother's death. Nell was working at the Toledo Museum of Art as a stenographer by 1920. In 1930 she was an Assistant Curator and by 1960 she was the Curator of the Museum's glass collection. Her obituary details a few of her other accomplishments at work and mentions some of her other activities. The photo of Nell is courtesy of the Museum.

Kalmon was a scrap metal dealer for over forty years.

ii. ALEXANDER-ALLEN JAFFE, b. 04 June 1901; d. 22 November 1934, Toledo, Lucas Co. OH.

iii. BERNARD JAFFE, b. 12 February 1904, Toledo, Lucas Co. OH; d. 18 June 1994, Toledo, Lucas Co. OH; m. LEONA MILLER, Aft. 1930; b. 22 July 1909; d. 28 March 1985, Toledo, Lucas Co. OH.

Notes for BERNARD JAFFE:

After graduating from Scott High School in Toledo, Bernard attended the University of Toledo, receiving his diploma in 1929. He worked for some years as a newspaper advertisement writer but changed his focus and was a CPA by 1944. He was active in many social and religious groups which are listed in his obituary.

7. LOUIS MYER[3] BERSHON *(POLLY-NELLIE[2] LEWIS, WILLIAM ELEV[1])* was born 15 May 1875 in Russia, and died 19 October 1920 in Toledo, Lucas Co. OH. He married RAECHEL SUGARMAN 15 June 1897 in Lucas Co. OH. She was born ca 1876 in OH, and died 17 February 1954 in Toledo, Lucas Co. OH.

Notes for LOUIS MYER BERSHON:

Louis and Raechel's names have been spelled a variety of ways over the years. Louis was often found as Lewis and Raechel was either Rachel, Ray or Rae. Louis had registered for the WWI Draft on Sept. 9, 1918. At that time they were living at 2448 Putnam in Toledo and he was a naturalized citizen. He was described as medium height, medium build, grey eyes and bald with brown hair. (Even a serious matter can have it's humor.)

At one time Louis had his own shoe store in Toledo but then became a traveling salesman for the Rich Shoe Co. in Milwaukee, WI. It was during one of his travels that he met an untimely death. While driving near Perrysburg, OH he overturned his vehicle and broke his neck.

Raechel remained in Toledo most of her life but spent a period of time with her daughter, Nima, in Detroit. Her last years were spent at the Jewish Home for the Aged in Toledo.

Children of LOUIS BERSHON and RAECHEL SUGARMAN are:

i. ALBERT[4] BERSHON, b. 27 April 1901; d. 13 January 1987, Sarasota, Sarasota Co. FL; m. MIRIAM CHOLLETT; b. 25 October 1901, Toledo, Lucas Co. OH; d. 04 March 1994, Sarasota, Sarasota Co. FL.

Notes for ALBERT BERSHON:

Albert was either a freshman or sophomore at Ohio State University when his father died in the auto accident. He was able to continue his education graduating from Ohio State's medical school, then on to Harvard and the University of Iowa's medical schools.

Albert joined Dr. Burt Chollet in his orthopedic practice in Toledo and eventually became the Head of the Orthopedic Surgical department at St. Vincent's Hospital. He received numerous awards during his years of practice especially for his work with crippled children. Dr. Chollet was also instrumental in forming the Ohio State Orthopaedic Society in 1939. Albert later served as the President of this society.

Albert married Miriam Chollet, the daughter of his business partner. After Albert retired in 1971 they moved to Sarasota, FL.

ii. NIMA BERSHON, b. 04 April 1906, OH; d. October 1994, Sarasota, Sarasota Co. FL; m. ROY PHILIP ROSENGARTEN, ca 1926; b. 29 June 1904, OH; d. 13 July 1990, Sarasota, Sarasota Co. FL.

Notes for NIMA BERSHON:

Nima and Roy were married about 1926 and moved to Detroit by 1930 where he was a salesman for food products. They retired to Sarasota, FL.

8. BERTHA[3] BERSHON *(POLLY-NELLIE[2] LEWIS, WILLIAM ELEV[1])* was born 15 May 1880 in Lithuania/Russia, and died 16 January 1962 in Toledo, Lucas Co. OH. She married DAVID LEVINE 06 September 1903 in Lucas Co. OH, son of LOUIS LEVINE and LIBBIE GRUDZINSKI. He was born 15 April 1873 in Russia, and died 1941.

Notes for BERTHA BERSHON:

Bertha and David had no children but did have their cousin, William Wolson living with them in 1910 and Bertha's sister Bessie in 1920. Virtually nothing is known about this couple other than David was a tailor.

Child of BERTHA BERSHON and DAVID LEVINE is:

i. NONE[4].

9. POLLY[3] BERSHON *(POLLY-NELLIE[2] LEWIS, WILLIAM ELEV[1])* was born 05 December 1881 in Lithuania, and died 11 November 1979 in Toledo, Lucas Co. OH. She married BENJAMIN ZIMMERMAN ca 1906, son of SIMON ZIMMERMAN and ANNA BERMAN. He was born 05 August 1878 in Lithuania, and died 13 June 1939 in Toledo, Lucas Co. OH.

Notes for POLLY BERSHON:

According to Benjamin's obituary, he was one of a family of well-known businessmen in Toledo. Whitney Vocational High School was built on the site of Benjamin's shoe repair shop. This all girl high school is now closed but the building is still standing.

The 1930 census shows that Benjamin owned the duplex where his family lived. This census also shows that the Zimmerman's did not own a radio.

Polly and Benjamin were married for thirty-three years before his passing. From Benjamin's WWI draft registration we learn that he was tall, stout, had brown eyes and grey hair by the age of 40.

Children of POLLY BERSHON and BENJAMIN ZIMMERMAN are:

i. NAOMI[4] ZIMMERMAN, b. 16 April 1908, OH; d. 20 August 2003, Lucas Co. OH; m. ABE GARDNER, Aft. 1930; b. 28 June 1903, OH; d. 11 March 1964, Springfield, Clark Co. OH.

Notes for NAOMI ZIMMERMAN:

Naomi earned a teaching degree at Bowling Green Normal school after attending Ohio State University. After her marriage she moved to Springfield, OH but when Abe died she returned to Toledo to be near her family. Her obituary mentions a number of her activities and passions.

ii. RUTH ZIMMERMAN, b. ca 1915; m. ? FRIEDMAN, Aft. 1930.

10. DAVID[3] BERSHON *(POLLY-NELLIE[2] LEWIS, WILLIAM ELEV[1])* was born 22 December 1888 in Russia, and died 30 December 1981 in Beverly Hills, Los Angeles Co. CA. He married HATTIE O. MARKOWITZ. She was born 24 March 1888 in CA, and died 29 August 1979 in Beverly Hills, Los Angeles Co. CA.

Notes for DAVID BERSHON:

Although the first record found for David in California is his 1917 WWI Draft Registration, he

activities. Lou was a business man and was a founder and president of the Kasle Brothers Steel Co. This company name is known by many in the midwest. Anyone interested in researching the Kasle family will find a multitude of resources on the internet and in libraries.

iii. MELVIN G. LEWIS, b. 15 January 1922, MI; d. 07 September 1988, Maicopa Co. AZ; m. PHYLLIS S. ALLEN, 22 June 1947, Genesee Co. MI; b. 28 September 1922; d. 13 June 1991, Maricopa Co. AZ.

17. GEORGE P.[3] LEWIS *(NATHAN[2], WILLIAM ELEV[1])* was born 22 October 1893 in OH, and died 07 November 1974 in Lucas Co. OH. He married VIOLA-BERTHA KLEIN 04 June 1917 in Lucas Co. OH, daughter of JOHN KLEIN and LENA WULLIGER. She was born 22 February 1899 in Cleveland, OH, and died December 1972 in Toledo, Lucas Co. OH.

Notes for VIOLA-BERTHA KLEIN:

If you read nothing else in this book, you must read the Midwife's certificate which registered Viola's birth! It's another good example of the hurdles our ancestors gave today's genealogists. Viola was eight years old when her mother passed away and her care must have been taken on by her sister Jennie. Viola married in Toledo in 1917 to George P. Lewis.

Children of GEORGE LEWIS and VIOLA-BERTHA KLEIN are:

i. RUTH LEONA[4] LEWIS, b. 18 March 1918, Toledo, OH; m. ARTHUR BERKOWITZ, 08 June 1941, Lucas Co. OH; b. 18 March 1916, Toledo, OH.
ii. MARJORIE LEWIS, b. 11 January 1922, OH; d. 12 December 1999, Cuyahoga Co. OH; m. MANNY-MANUEL SCHOR; b. 09 December 1918, Cleveland, OH.

18. GERTRUDE[3] LEWIS *(NATHAN[2], WILLIAM ELEV[1])* was born 09 November 1895 in OH, and died 27 April 1989 in Los Angeles, CA. She married (1) WILLIAM PRESENT 25 January 1920 in Lucas Co. OH, son of J. PRESENT and ROSE MUSCAT. He was born 22 January 1890 in Poland, and died 19 April 1951 in Pontiac, Oakland Co. MI. She married (2) WILLIAM AMOS PRESENT 1954, son of JACOB PRESENT and CATHERINE SOLOMON. He was born 11 September 1890 in Rochester, NY, and died March 1954 in Dade Co. FL.

Notes for GERTRUDE LEWIS:

When "Gert" was twenty-four, she married a man named William Present who was a jeweler in Pontiac, MI. When Gert's first cousin, Hattie Goldberg was twenty-four, she married a man named William Amos Present who was also a jeweler but his store was in Lansing, MI. Each couple had a daughter they named Shirley. It is thought there was a distant relationship between the two Williams. After over thirty years of marriage, Gert's husband died and about the same time, cousin Hattie passed away. A few years later Gertrude Lewis Present married William Amos Present and became Gertrude Lewis Present Present! Gert and William Amos were only married a few months before he died, again leaving Gert a widow.

In 1960, Gert's sister Rose became a widow and after a time, Rose and Gert decided they would try living together. Gert moved back to Toledo and the sister's spent about twenty years together.

Henry, Lara and Marla spent many after school hours with Grandma Rose and Aunt Gert and Rose and Gert loved it.

Child of GERTRUDE LEWIS and WILLIAM PRESENT is:

i. SHIRLEY[4] PRESENT, b. 11 November 1920, MI; m. JOSEPH KLEIMAN, 30 August 1942; b. 1919; d. 06 January 1996, CA.

Notes for SHIRLEY PRESENT:

Shirley has been a great help in supplying information and giving research clues for this family history.

19. ROSE[3] LEWIS *(NATHAN[2], WILLIAM ELEV[1])* was born 19 June 1905 in Lucas Co. OH, and died 24 February 1991 in Toledo, Lucas Co. OH. She married HENRY KLEIN ca 1937, son of MANUEL KLEIN and ERNESTINE EXL. He was born 01 January 1904 in Ravenna, Portage Co. OH, and died 17 June 1960 in Toledo, Lucas Co. OH.

Child of ROSE LEWIS and HENRY KLEIN is:

i. NANCY ELLEN[4] KLEIN, b. 30 September 1943, Toledo, Lucas Co. OH; m. NATHAN GERSON DANZIGER, 19 June 1966; b. 01 January 1940, Sandusky Co. OH.

Notes for NANCY ELLEN KLEIN:

This genealogy project was started so the children and grandchildren of Nancy and Nathan would know something of their ancestors.

20. GRAYCE[3] LEWIS *(DANIEL G.[2], WILLIAM ELEV[1])* was born 10 August 1899 in Evansville, Vanderburgh Co. IN, and died 07 May 1972 in Toledo, Lucas Co. OH. She married (1) MAX PERVIN. He was born 14 May 1890 in Russia, and died 06 June 1963 in Toledo, Lucas Co. OH. She married (2) ABE RUSGO 25 September 1922 in Lucas Co. OH, son of LEWIS RUSGO and GOLDIE. He was born 06 June 1897 in New York, NY, and died 1939 in Lucas Co. OH.

Notes for GRAYCE LEWIS:

Grayce's birth record is a good example of a legal document gone wrong. She is listed as Ella and her mother's maiden name is misspelled. Ella could have been one of her given names but at first glance one may not think this is the correct record but it is. Her mother passed away when Grayce was quite young and as mentioned, Grayce spent a time in Mrs. Jackson's home as a ward. It has been told that Nathan and Amelia "raised" Grayce so one has to assume she did not stay long at Mrs. Jackson's.

Grayce and Abe were married in 1922 in Toledo and just seventeen years later he passed away. The only times Abe's full name of Abraham was used were on his WWI Draft Registration and in Hebrew on his tombstone. Abe was tall and slender had brown eyes and black hair. He mentioned that he was uncertain of his birth date but had written to New York to obtain a copy of

his birth certificate.

Grayce's second marriage was to Max Pervin who had lost his first wife in 1946. Max had a grocery store, was of medium height and build, had grey eyes and brown hair. Grayce and Max are both buried with their first spouses, she at B'nai Israel and Max at Eagle Point.

Children of GRAYCE LEWIS and ABE RUSGO are:

Descendants of William Elev Lewis

Sent to Leah

Generation No. 1

1. WILLIAM ELEV[1] LEWIS was born in Russia.

Notes for WILLIAM ELEV LEWIS:

The Hebrew inscription on Nathan Lewis's tombstone gives his father's name as Elev Lewis. However, the name William Lewis was given on Nathan's death certificate as the name of his father. In absence of any other evidence, we will use both names to start this story.

It has never been determined exactly where the family lived before immigration but information leads us to believe it was a town in Lithuania. You will notice that some state they were from Russia, others from Lithuania and there may be an occasional Poland or Germany listed. This is not too unusual for middle Europeans as that area's political boundaries were constantly changing. Another factor was the political mood in America - if a certain area in Europe was out of favor in our country, the immigrants may have chosen to "adjust" their place of origin.

Children of WILLIAM ELEV LEWIS are:

2. i. POLLY-NELLIE[2] LEWIS, b. ca 1857, Lithuania; d. 1912, Lucas Co. OH.
3. ii. GOLDIE LEWIS, b. ca 1858.
4. iii. NATHAN LEWIS, b. 24 December 1866, Russia; d. 18 April 1931, Lucas Co. OH.
5. iv. DANIEL G. LEWIS, b. 16 October 1867, Russia; d. 12 December 1940, Lucas Co. OH.
   v. SARAH LEWIS.

Generation No. 2

2. POLLY-NELLIE[2] LEWIS *(WILLIAM ELEV[1])* was born ca 1857 in Lithuania, and died 1912 in Lucas Co. OH. She married WILLIAM BERSHON ca 1870. He was born Bet. 1841 - 1855 in Lithuania/Russia, and died 27 May 1915 in Lucas Co. OH.

Notes for POLLY-NELLIE LEWIS:

Polly and William gave their immigration year as 1890, when the census taker asked that question however, they were not located in any of the indexed ships passenger lists. The first document to place them in Toledo is the 1900 census. Both Polly and William were working in a cloak factory, she as a machine operator and he as a presser. By 1910 William was a junk dealer, likely working with his son-in-law, Moses Jaffe.

The records for Beth Shalom show Polly died in 1912 but she is not listed with the family in 1910 nor in any of the area hospitals. Her tombstone is quite unreadable but according to the cemetery records, this is the location of burial.

Children of POLLY-NELLIE LEWIS and WILLIAM BERSHON are:

6. i. SARAH D.[3] BERSHON, b. 15 December 1871, Lithuania; d. 20 February 1952, Toledo, Lucas Co. OH.
7. ii. LOUIS MYER BERSHON, b. 15 May 1875, Russia; d. 19 October 1920, Toledo, Lucas Co. OH.
8. iii. BERTHA BERSHON, b. 15 May 1880, Lithuania/Russia; d. 16 January 1962, Toledo, Lucas Co. OH.
9. iv. POLLY BERSHON, b. 05 December 1881, Lithuania; d. 11 November 1979, Toledo, Lucas Co. OH.
v. VICTOR BERSHON, b. 25 August 1881, Russia; d. 07 April 1933, CA.

Notes for VICTOR BERSHON:

The first record for Victor in California is the 1910 census for San Francisco. He is living in a boarding house and is selling dry goods. When he registered for the WWI Draft in 1918, he listed his brother David in Los Angeles as his nearest relative. Victor was listed as being of medium height, medium build, brown eyes and black hair. By 1920 Victor was the proprietor of the Goodyear Shoe store and living in what appears to be a hotel.

Evidently, when Victor's health failed, he entered a hospital in Los Angeles near where his brothers Nathan and David were living. As Victor was single in 1910 and 1920, it is likely a hospital or enumerator error listing him as married for 22 years in the 1930 census.

10. vi. DAVID BERSHON, b. 22 December 1888, Russia; d. 30 December 1981, Beverly Hills, Los Angeles Co. CA.
11. vii. BESSIE BERSHON, b. 08 July 1889, Lithuania; d. 11 April 1975, Los Angeles, CA.
viii. NATHAN BERSHON, b. 05 April 1890, Lithuania; d. 16 August 1985, Los Angeles, Los Angeles Co. CA; m. IRENE ADA MARKOWITZ, ca 1920; b. 31 July 1898, CA; d. 13 September 1995, Los Angeles, Los Angeles Co. CA.

Notes for NATHAN BERSHON:

As with his brother David, it is not known where Nathan was in 1910. Nathan registered for the WWI draft in San Francisco in 1917 and was married by then. His occupation was listed as being in the motor car business and in 1930 he was a retail sporting goods merchant. Nathan was tall by 1917 standards being 5 foot 11 inches. He had a medium build, brown hair and brown eyes. If Nathan and Irene had any children, they were born after 1930. Nathan's death record gives an incorrect mother's maiden name but this is not an unusual mistake for this type of record.

Since we did not know the family's Russian town of origin, it was of great interest that Nathan had given a town name for his birth on his WWI draft registration. The writing on the document is not clear and after many attempts, no town by, or near, that name was located.

3. GOLDIE[2] LEWIS *(WILLIAM ELEV[1])* was born ca 1858. She married YANKEL-JOSEPH COUSIN. He was born in Russia.

Notes for GOLDIE LEWIS:

It does not appear that Goldie and Yankel (Joseph) immigrated but their children came to Toledo between 1902 and 1906.

Children of GOLDIE LEWIS and YANKEL-JOSEPH COUSIN are:

12. i. WILLIAM[3] COUSIN, b. 15 April 1883, Russia; d. 08 October 1971, Toledo, Lucas Co. OH.
13. ii. ISADORE COUSIN, b. 18 July 1885, Russia; d. 20 December 1943, Lucas Co. OH.

14. iii. FANNIE COUSIN, b. 16 March 1891, Lithuania/Russia; d. 23 May 1956, Toledo, Lucas Co. OH.
15. iv. HARRY COUSIN, b. 05 August 1896, Russia; d. 21 April 1971, Toledo, Lucas Co. OH.

4. NATHAN[2] LEWIS *(WILLIAM ELEV[1])* was born 24 December 1866 in Russia, and died 18 April 1931 in Lucas Co. OH. He married AMELIA FINK 12 April 1891 in Lucas Co. OH, daughter of PHILIP FINK and ROSA ROTH. She was born 06 March 1869 in Detroit, MI, and died 16 March 1957 in Lucas Co. OH.

Notes for NATHAN LEWIS:

As the family story goes, Nathan told his family that his surname had been Itchikovich but when he stepped off the boat in America he became Nathan Lewis. However, it appears all of Nathan's known siblings also used the surname of Lewis so it seems we are missing part of this story. The Hebrew inscription on Nathan's tombstone gives his name as Eliezar Nathan, son of Zev Elev Lewis. After searching Ships Passenger Lists for the name Itchikovich and nothing was found even remotely promising, a search was made for Eliezar Lewis. On January 26, 1883, on the ship Bothnia which left Liverpool England and docked in New York City, is an Elezer Lewis traveling with a Dan'l Lewis and they were heading for Ohio. The ages on this passenger list are close to the ages we use for Nathan and Daniel. Putting together information from all sources searched, it is strongly suspected that the 1883 immigration list is for Eliezar Nathan Lewis and Daniel Lewis of this family.

Obviously, this changes the family story but one can almost hear now, Grandfather Nathan telling his children and grandchildren that he changed his name when he stepped off the boat. Before he could finish the story, the grandchildren begged to know what his name had been and teasingly, Nathan said, "Itchikovich!" Had he finished the story, he may have told them that he quit using the given name of Eliezar. The surname Lewis does appear in Lithuanian records although it was sometimes spelled Lewitz.

On different documents, diverse dates of immigration were given by both Nathan and Daniel ranging from 1882 to 1888. When Nathan gave his Declaration of Intent to become a citizen, he stated he had immigrated in September 1888. The first record of him here is in the 1890-91 Toledo City Directory. Had he really meant that he arrived in Toledo in 1888? If Nathan had indeed immigrated in 1883, where might he have been from then to 1890 when he first appears here in Toledo? If this information ever becomes known, we may unravel this mystery.

The naturalization record in Lucas Co. states he was naturalized 22 March 1899 although this certificate was written on 18 February 1909. It is not clear whether this was a duplicate or additional certificate but at least the information was recorded.

The first years Nathan was in Toledo he was a peddler but by 1898 he had become an insurance agent. Whether he gave that up entirely or perhaps just sold insurance part-time is unknown but, from 1910 on his main occupation was a junk dealer. He is listed variously as a metal dealer, buyer and seller of junk and just plain junk dealer.

Nathan and Amelia always had a full household. Besides their own four children, Amelia's father, Philip Fink, lived with them many years. They had Nathan's nephew Isadore Cousin with them for a time, his niece Grayce Lewis for some years and when their sons married they lived next door. Perhaps their home was opened to others but Philip, Isadore and Grayce happened to be living there when the census was taken so were easily documented. Their last home at 2445 Vermont has been torn down and is now part of the St. Vincent's Hospital complex.

Nathan and Amelia attended B'nai Israel Temple in Toledo which was then located on North 12th Street. In 2005 the building was recommended to be added to the National Register of Historic Places.

Children of NATHAN LEWIS and AMELIA FINK are:

16. i. WILLIAM PAUL[3] LEWIS, b. 06 March 1892, Toledo, Lucas Co. OH; d. 22 October 1976, Flint, Genesee Co. MI.
17. ii. GEORGE P. LEWIS, b. 22 October 1893, OH; d. 07 November 1974, Lucas Co. OH.
18. iii. GERTRUDE LEWIS, b. 09 November 1895, OH; d. 27 April 1989, Los Angeles, CA.
19. iv. ROSE LEWIS, b. 19 June 1905, Lucas Co. OH; d. 24 February 1991, Toledo, Lucas Co. OH.

5. DANIEL G.[2] LEWIS *(WILLIAM ELEV[1])* was born 16 October 1867 in Russia, and died 12 December 1940 in Lucas Co. OH. He married MARY ROGOVIN 08 November 1898 in Vanderburgh Co. IN. She was born September 1878 in Russia, and died Bef. 1910 in IN.

Notes for DANIEL G. LEWIS:

It would make sense that Daniel and Nathan immigrated together as they were so close in age, but one wonders what drew Daniel to southern Indiana instead of remaining near Nathan. Daniel gave his immigration date variously from 1882 to 1888.

Daniel's marriage was sadly short with Mary passing before their tenth anniversary. None of the current family remembers hearing that their daughter Grayce spent some time in a home in Indianapolis after her mother's death. Perhaps she was there just a short time before being sent (or invited) to Toledo to live with her Uncle Nathan Lewis and his family. Because the census is only taken every ten years, many things can occur in a family between them and it is often impossible to find other documents to supplement the information.

In 1900 Daniel was a broom maker in Evansville and later was a machinist in the broom factory. By 1920 he was living across the river in Louisville, KY and worked at a metal plate company. When Daniel became ill, he decided, or was encouraged, to come to Toledo to be closer to his family. He spent the last ten years of his life at the Lucas County Home. He had kidney disease and asthma and there was little the doctors could do for either problem in that time period.

Child of DANIEL LEWIS and MARY ROGOVIN is:

20. i. GRAYCE[3] LEWIS, b. 10 August 1899, Evansville, Vanderburgh Co. IN; d. 07 May 1972, Toledo, Lucas Co. OH.

may have been in Los Angeles as early as 1910. By 1917 David was already married to Hattie, who was born in California, and they had a four year old daughter also born in California. On the draft registration he gives his occupation as the Sales Manager for California Film Exchange. Later records show the same or similar, occupations. He is listed as being short, slender, brown eyed, black hair but slightly bald.

Child of DAVID BERSHON and HATTIE MARKOWITZ is:

i. NAOMI S.[4] BERSHON, b. 22 July 1912, San Francisco Co. CA; d. 30 August 1992, San Francisco Co. CA; m. DAVID ALLAN MENDELSON, Bet. 1930 - 1940.

11. BESSIE[3] BERSHON *(POLLY-NELLIE[2] LEWIS, WILLIAM ELEV[1])* was born 08 July 1889 in Lithuania, and died 11 April 1975 in Los Angeles, CA. She married SIMON PERKINS ca 1923, son of ? PERKINS and ? ABRAMS. He was born Bet. 1878 - 1883 in Russia/Poland, and died 17 June 1944 in Los Angeles, CA.

Notes for BESSIE BERSHON:

Bessie was in Toledo living with her sister Sarah Jaffe in 1910 and with her sister Bertha Levine in 1920. By 1930 she was in Los Angeles, married to Simon and had a daughter Vivian.

Child of BESSIE BERSHON and SIMON PERKINS is:

i. VIVIAN[4] PERKINS, b. 20 June 1927, Los Angeles Co. CA.

12. WILLIAM[3] COUSIN *(GOLDIE[2] LEWIS, WILLIAM ELEV[1])* was born 15 April 1883 in Russia, and died 08 October 1971 in Toledo, Lucas Co. OH. He married (1) SADIE L. KOZMAN ca 1907, daughter of KATE KOZMAN. She was born Bet. July 1883 - 1885 in Austria, and died 06 May 1939 in Toledo, Lucas Co. OH. He married (2) BERTHA Aft. 1940. She was born 1892, and died 1990.

Notes for WILLIAM COUSIN:

William came to Toledo about 1902. He stated on his WWI Draft Registration that his previous residence was England and his naturalization states he was a citizen of Russia. It was not uncommon for immigrants to leave their home countries, travel a distance, stay and work to save more money then continue to America. He was naturalized in Toledo, OH 7 July 1911. The naturalization certificate lists William as 5 foot 4-1/2 inches, having a dark complexion, brown eyes, black hair and a scar on his right cheek. His WWI draft card gives a similar physical description but does not mention the scar. Another record that gives some personal tidbits are the Voter Registration cards. Not only do they give the exact place of residence but they usually indicate when the voter died.

William ran a scrap metal business for at least sixty years in Toledo. He lived in modest but comfortable looking homes pictured on following pages.

Sadie was rather young when she passed away and eventually, William married a lady named

Bertha. Bertha and William are buried side by side at B'nai Jacob. Sadie's obituary states she was to be buried at B'nai Jacob although her grave site is not recorded in the cemetery's burial records.

Children of WILLIAM COUSIN and SADIE KOZMAN are:

i. FREDA[4] COUSIN, b. 19 January 1909, OH; d. 02 October 2003, St. Louis, MO; m. ERNEST H. SOLOMON, ca 1940; b. 30 March 1912, New York; d. December 1976, Bolinas, Marin Co. CA.

Notes for FREDA COUSIN:

All that is known of the life and activities of Freda and Ernest is from their obituaries. In response to an email to their son, Dr. Harvey, he gave me his sister's email address. However, she never replied to the note I sent her.

ii. SYLVIA L. COUSIN, b. 22 March 1915, OH; d. 12 December 1985, Riverside, CA; m. (1) ARTHUR MICHAEL, Bef. 1939; m. (2) ? BLOOM, Bet. 1960 - 1971; m. (3) ? GOODMAN, Aft. 1971.

13. ISADORE[3] COUSIN *(GOLDIE[2] LEWIS, WILLIAM ELEV[1])* was born 18 July 1885 in Russia, and died 20 December 1943 in Lucas Co. OH. He married LILLY GREENSPOON 04 July 1909 in Lucas Co. OH, daughter of LOUIS GREENSPOON and IDA. She was born 18 April 1891 in Russia, and died 08 October 1979 in Toledo, Lucas Co. OH.

Notes for ISADORE COUSIN:

The first record of Isadore in Toledo is the 1910 census, living with Nathan Lewis and is listed as Nathan's nephew. That census and in 1920, Isadore states he had immigrated in 1904. He was always involved in the transportation of items. At first he had his own peddler's wagon which may have been a hand cart. He then was a teamster likely using a horse and wagon and lastly was a truck driver which led to his demise. He was a scrap iron dealer and was hauling items when he saw an idle switch engine on the tracks but missed seeing the oncoming passenger train. He suffered a fractured skull and two broken legs and did not survive the injuries. He also registered for the WWI draft on September 12, 1918. He had been naturalized, and was of a medium height, slender with brown eyes and black hair.

Lilly married a second time to Alex Levitin but she was buried with Isadore at Eagle Point Cemetery.

Children of ISADORE COUSIN and LILLY GREENSPOON are:

i. ROSE[4] COUSIN, b. 03 May 1912, Toledo, Lucas Co. OH; d. 31 January 2000, Toledo, Lucas Co. OH; m. AARON LEVISON, Bef. 1943; b. 17 April 1910, Toledo, Lucas Co. OH; d. 05 August 1994, Lucas Co. OH.

Notes for ROSE COUSIN:

The only biographical information known about Rose and Aaron is what has been gleaned from their obituaries. Some of their descendants are still living in Toledo.

ii. DAVID COUSIN, b. ca 1916; d. Bef. 1979.
iii. NAOMI COUSIN, b. ca 1917; m. SHERWIN E. KRIPKE, Bef. 1937; b. 07 August 1915, Detroit, MI; d. 11 December 1996, Ft. Lauderdale, FL.

Notes for NAOMI COUSIN:

Sherwin served in WWII and led an active and productive civilian business life. His activities are recounted in his obituary. At this writing (October 2006) Naomi is still living in Toledo.

iv. EVELYN COUSIN, b. 23 July 1925, Toledo, Lucas Co. OH; m. HYMAN AUSLANDER; b. 13 May 1923, New York, NY.

14. FANNIE[3] COUSIN *(GOLDIE[2] LEWIS, WILLIAM ELEV[1])* was born 16 March 1891 in Lithuania/Russia, and died 23 May 1956 in Toledo, Lucas Co. OH. She married WILLIAM FREY 17 October 1915 in Lucas Co. OH, son of LEOPOLD FREY and ESTHER COHEN. He was born 24 December 1885 in Austria, and died 1924.

Notes for FANNIE COUSIN:

Fannie and William had only been married nine years when he passed away. She remained his widow for the next thirty-two years. Among William's occupations were bottle sorter, peddler (with own wagon) and junk dealer. He also registered for the draft in 1918. His physical description was medium height, stout, black eyes, black hair and wears glasses.

Children of FANNIE COUSIN and WILLIAM FREY are:

i. GRACE[4] FREY, b. ca 1917, OH; d. 29 April 2005, Sylvania, OH; m. SAMUEL S. WEISS, ca 1940; b. 29 April 1911, IL; d. 15 July 1994, Lucas Co. OH.

Notes for GRACE FREY:

Grace and Sam's obituaries give some details of their retail stores and activities.

ii. WALTER S. FREY, b. 07 December 1919, Toledo, Lucas Co. OH; d. 06 June 2006, Lucas Co. OH; m. PATRICIA ANN MUETZEL, April 1952; b. ca 1934; d. 03 May 2005, Toledo, Lucas Co. OH.

Notes for WALTER S. FREY:

Walter served under General George Patton during WWII and received a Bronze Star. He was an insurance salesman for over thirty years.

iii. ADELLE FREY, b. 29 January 1924, Lucas Co. OH; d. 10 June 2002, Lucas Co. OH; m. MAXWELL J. MALKIN, ca 1949; b. 21 October 1923, Toronto, Canada; d. 25 September 2000, Lucas Co. OH.

15. HARRY[3] COUSIN *(GOLDIE[2] LEWIS, WILLIAM ELEV[1])* was born 05 August 1896 in Russia, and died 21 April 1971 in Toledo, Lucas Co. OH. He married SADIE. She was born 25 May 1900 in Lithuania, and died 07 March 1968 in Lucas Co. OH.

Notes for HARRY COUSIN:

Harry immigrated about 1916 and enlisted in the Army on 5 April 1918. He was assigned to Camp Meritt in New Jersey and by this service he obtained an automatic naturalization. This is shown on his certificate obtained in Lucas Co. and on his voter's registration card. In 1930 he is listed as the proprietor of a garment factory but his obituary listed him as a scrap dealer. Harry was 5 feet 7 inches tall, with a fair complexion, brown eyes, brown hair and a scar on his left temple.

Children of HARRY COUSIN and SADIE are:

i. SIDNEY D.[4] COUSIN, b. ca 1925.

Notes for SIDNEY D. COUSIN:

Sidney enlisted for WWII on July 7, 1943 at Toledo and was obligated for the duration of the war. He had completed two years of high school by 1943.

ii. MYRON COUSIN, b. 1931, OH; d. 08 July 1978, Toledo, Lucas Co. OH; m. ROSE.

Notes for MYRON COUSIN:

Myron was employed by the City of Toledo for fourteen years before his sudden death at age forty-seven. Rose has remained his widow.

16. WILLIAM PAUL[3] LEWIS *(NATHAN[2], WILLIAM ELEV[1])* was born 06 March 1892 in Toledo, Lucas Co. OH, and died 22 October 1976 in Flint, Genesee Co. MI. He married REBECCA STEIN ca 1911. She was born ca 1890 in Russia.

Notes for WILLIAM PAUL LEWIS:

Early in his working life William was employed as a packer in a local factory. By 1917 he was working with his father as a metal buyer but evidently that was not the career he envisioned. About 1922 he moved to Flint, MI where he became a police patrolman and remained in the department until 1945 when he retired.

Children of WILLIAM LEWIS and REBECCA STEIN are:

i. ALBERT[4] LEWIS, b. ca 1913, OH; d. 19 April 1971, MI; m. ANN BOWMAN, 14 June 1931, Genesee Co. MI.

Notes for ALBERT LEWIS:

Although there are two very nice pictures of Albert in this book, we do not have any details of his work and interests.

ii. CHARLOTTE LEWIS, b. ca 1918, MI; m. LOUIS KASLE, 27 April 1941; b. 10 December 1909, Russia; d. 17 February 2001, Flint, Genesee Co. MI.

Notes for CHARLOTTE LEWIS:

At this writing (October 2006) Charlotte is still living in Flint and has kept mum on her interests and

Last week, Dr. Horton imposed a hiring freeze for all but essential teaching jobs in preparation for possible state budget cuts.

UT's college of arts and sciences lost 17 faculty slots last spring when all departments were required to chop 3 per cent from their budget, said Larry Wilcox, a history professor and member of AAUP.

"I think collective bargaining is a better framework for solving problems," Dr. Wilcox said. "We have good faculty governance but no teeth for enforcement. We're a debating society without control or power."

Dr. Horton made it clear he sees other ways to solve campus problems.

Long-range UT plans almost completed propose new facilities, and other buildings are on their way.

Naturalist calls fish deaths on lake no worry

BLADE STAFF AND NEWS SERVICES

PORT CLINTON — Reports are coming in from around Lake Erie about large numbers of dead walleye washing up on shore, but experts say it's probably just the result of an extra-stressful spawning season.

John Hageman, manager of Ohio State University's Stone Laboratory near Put-in-Bay, said temperature fluctuations, rough waters, and muddy conditions that make feeding more difficult are likely culprits in a larger-than-usual spring die-off of fish.

"In the big picture, it's not anything to lose any sleep over, but it is noticeable," Mr. Hageman said.

No careful census has been taken, but Mr. Hageman estimated the walleye deaths are in the thousands, perhaps 10,000, although he said he doubted the number would exceed 20,000.

For a lake with an estimated 22 million walleye going into this fishing season, that represents a minuscule sliver of the total population.

Also, it's likely that fishermen have taken fewer walleye so far this year.

Jason McCann, a charter boat captain with Legacy Charters in Port Clinton, said April's catch might have been as low as 5 percent of what's normal.

Out of 17 scheduled charters last month, Mr. McCann was able to go out with only four. He suspected the rough weather that kept fishermen off the water may also have taken a toll on the fish.

Still, he said the number of dead fish wasn't alarming.

"There's more this year than most years, but I've seen it like this before. I'm third generation, I've been out here 18 years," Mr. McCann said.

Mr. Hageman said researchers have taken samples from the dead fish to test for viruses, but the dead fish he has seen are not showing signs of the viral hemorrhagic septicemia virus that contributed to large fish kills in recent years.

He also said all the reports he's seen have been of mature fish that would have been spawning.

Mr. Hageman said the die-off appears to have peaked and is now declining.
